Money Hill Golf and Country Club is a private members club surrounded by 3,500 acres of natural beauty and an 18-hole championship golf course. The course is ideal for the average golfer and can be a fantastic challenge for the 0-handicapper.

The course was designed by award-winning international golf course designer Ron Garl, who clearly pulled out all the stops. When Money Hill Golf and Country Club opened its doors in 1999, it was immediately voted the number one new golf course in the South by Golf Digest and has subsequently been voted number one in six years out of 13 years of existence.

The Rob Noel Golf Academy offers members a chance to improve their game at one of the finest practice facilities in the area. With its varied practice amenities including dedicated putting and chipping practice areas, and experts on hand, you will improve your game in no time.

For non-golfers, there are plenty of other

opportunities to get active. The beautiful and peaceful lake at Money Hill Golf and Country Club is stocked with bream, largemouth bass and crappie and offers fantastic fishing. Get to know the area on the 4.5-mile nature trail, or go swimming, play tennis or make use of the many fitness programs the club has to offer. Or you can simply catch your breath and relax in The Grille with a meal by the extraordinary chef Chris Ware.

If you have fallen in love with the area, like so many have, there are a number of properties available to own within the exclusive private community. Then you can enjoy the natural and sporting delights of Money Hill all year round.

So come for a day to relax and work on your golf game or stay for a lifetime. You could be nowhere else. It's a place like no other... you're at Money Hill.
